SUMMARY

Cross-sector innovation leader skilled at turning ideas into user-centered solutions that drive meaningful impact. A dynamic presenter and connector who unites business, product, and technical stakeholders to accelerate growth.

EXPERIENCE

AI Field CTO & Innovation Lead | Boomi | October 2025 - Present

Senior Manager, Innovation Programs | Boomi | May 2024 - October 2025

Solutions Architect & Strategist | Boomi | June 2021 - May 2024

- Presenting externally to crowds of up to 1,000+ customers and partners, as well as C-suite leaders of Fortune 500 companies, on the power of the Boomi product suite to deliver next-level business efficiency through the democratization of innovation.
- Technical development, sales enablement, and business analysis of low-code platform solutions, helping Boomi Innovation Group contribute \$25M+ in sales revenue.
- Encouraging innovation amongst team members by serving on the patent committee and creating the Boomi Product Challenge, leading to additional features on the product roadmap, new sellable solutions, and a pending patent application.

Ideator-in-Residence & Adjunct Professor | VCU da Vinci Center for Innovation | January 2021 - May 2022

- Guided graduate students through their capstone experience, utilizing the principles of human-centered design. Students were led to ideate, prototype, and test viable product concepts rooted in user research and analysis.
- Created the VCU da Vinci Center's Product Innovation Showcase, connecting students to potential customers, mentors, and investors from the Richmond business community and providing valuable user feedback throughout the capstone experience

Director of Communications & Programs | Leadership Metro Richmond | June 2016 - June 2021

- Orchestrated strategic communication initiatives, managed diverse programs, and led cross-functional teams to enhance brand visibility and community engagement.

Small Business Entrepreneur | Miss Priss Tea | April 2016 - December 2019

- Small business providing a mobile modern afternoon tea experience across Central Virginia, growing revenue 600% from Year 1 to Year 3 by target marketing brides for bridal suite catering to fulfill an unmet need in the wedding industry

Community Team Lead | TEDxRVA | January 2016 - June 2018

- Led a team of 20+ volunteers to host a series of consistently sold-out monthly TEDxRVASalon events bringing together curious and engaged local residents with grassroots organizations as well as corporate entities to create collective community impact.

Artist Relations | Joe's Pub at the Public Theatre | June 2010 - January 2012

- Researched and executed the activation of a new ticketing system, improving customer satisfaction & streamlining operations.
- Initiated partnership between Joe's Pub and Livestream; Oversaw streaming of 180 concerts to reach 290K unique visitors

Nonprofit Founder & Executive Director | Threads That Teach | January 2007 - April 2010

- Collaborated with public school faculty and teachers alongside university academics to create innovative instructional strategies, increasing content retention and in-class participation among inner-city middle school students
